The 1984 Kinkaidian is respectfully dedicated to: William J. McKinley Jr.

He calls it "stewardship," that careful management of resources which makes possible the best that an institution can provide. For more than a quarter century, Bill McKinley, Kinkaid's Business Manager and Director of Development, has served the School well by maintaining its financial integrity. Born and educated in New England, Mr. McKinley has also been proud to see four of his own children graduate from the School. We are pleased to dedicate the 1984 *Kinkaidian* to one of Kinkaid's most caring and trusted, long-time stewards.

the 1979-80 kinkaid 8th grade falcons

this was the best basketball that kinkaid has ever produced. the boys were 26-1. they are the houston parochial-prep league champions with a record of 10-0. they won 3 tournaments. in two of the tournaments all 5 starters were on the all-tournament team. this is an almost unheard of feat.

school records broken: most points scored in one season (1614) old record was 1,448, in 1962-63.

best team scoring average for a season (59.7 points a game)

old record was 53.8 in 1963-64

three boys became the 3rd, 4th, and 6th leading scorers in kinkaid history. kevin killens 3rd, with 297 points; tom jordan 4th with 294; and scott locher 6th with 285 points.

during the season the falcons scored 80 points once, and scored into the 70's 6 times. kinkaid was 2 and 1 against public schools. beating hamilton 47-40 and sharpstown 44-25 while losing their only game of the season to woodson 44-45 in the last 3 seconds.

At Kinkaid School Miss Laigle said,
"This poem by Coleridge must be read."
So Matt and Jim and Al and Tod sank
Through caverns measureless to man
Into a state of dread.

So round and round and round they went,
The hours, the days, the weeks they spent
In gardens bright with sinuous rills,
In bedrooms dim with hours of toil,
They learned of Xanadu — the thrills! —
And burned the midnight oil.

At last one day they understood:
It could be done, it could, it could!
It was a miracle of rare device.
And as they leave, it can be said,
That they on honey-dew hath fed,
And drunk the milk of Paradise.

Congratulations to the Class of 1984 with love from Miss Laigle. I'll miss you.
